

THE EDITH WINTHROP TEACHER CENTER of Westchester

Integrating the SMART Board into Your **MUSIC** Curriculum:

**REVISED
NEW TIME**

Workshops for Grades 7 – 12

Facilitated by

Tequipment Subject Specialists

This workshop will focus on the integration of the SMART Board into your Music curriculum. Learn how to create interactive activities designed to enhance your lessons and further accelerate student learning. Create activities, taking advantage of the latest design tools within the new Notebook 10 software. Learn how to integrate tables, animate objects, use the magic pen, make page recordings, create links and much more. At the end of this professional development experience, you will be able to create dynamic and interactive activities that are designed to increase both student engagement and student learning.

Workshop # 5 Music
